IFAS PARDUBICE, Z. S.

Jana Hrubého 373, 530 09 Pardubice

Dear IFAS 2020 participants,

with regret, we are obliged to inform you that given to the current global health situation and preventive countermeasures that have been implemented in the Czech Republic and worldwide, we are forced to postpone IFAS 2020, that was supposed to take place during summer from July 3 to July 8. Until the very last moments we had hoped for things to get better. But as more and more precautions and restrictions are being introduced by governments and health organizations, there is hardly any chance for a proper, let alone definitive planning. In some countries choirs can not even gather to rehearse which takes away the possibility for these choirs to prepare as much as they would probably like. Until this day, we have worked hard so that the festival could happen without flaws and we could enjoy the music and the time spent together. With regards to the enclosed list of participants in their respective categories, it was sure to be an amazing event full of stunning music and performances. We would like to ask you to keep supporting us with your faith and interest and we would like to offer you the possibility to **postpone IFAS to July 2021 with us**. We, however, would like to keep the whole progress, that we have worked on, alive and use all the materials and information we have gathered so far to focus on getting the festival ready for the next year. In case you agreed on this, for now we would at least continue working on the festival bulletin, as at this moment nobody would confirm any of the venues that we have originally planned to arrange deals with. The year will pass quickly and when this is over, we will be already half-way ready for the 2021 festival and choirs will have ample time to practice. In case you agree, we automatically count you in for the next year's event and keep your application fees on our bank account. In the opposite case, we will refund your application fees at the exchange rate at which we received it. This also applies to participation fees which some choirs paid already.

We would like to thank you for the immense support which you have showed until now, and we kindly ask you to reconsider the possibilities given above. Please, send us your decisions as soon as possible so we ourselves can decide on how to proceed. Also, any of your inputs, opinions or questions are very welcome!

Instead of best regards, we now „wish a firm health“ in the Czech Republic
May we see each other in 2021!

President of IFAS: Ing. Alena Mejstříková
Organizing Director: Miroslav Baťa
Art Director: prof. PaedDr. Jiří Kolář
Executive Director: Lukáš Mejstřík
